Alexandria, VA 22313-1450

Dear Sir:

The Applicant, through its representatives and attorneys, hereby brings to the attention of the examiner the six Japanese language publications, with translations, cited in an Office Action dated June 12, 2007 in the corresponding Japanese application. A translation of the JP Action is also provided. Three of the publications were previously cited without translations in the IDS at filing. This submission is timely in that it is made prior to a first action on the merits.

This will also certify that each item of information contained in this information disclosure statement was cited in a communication from a foreign patent office not more than three months prior to this submission.

The relevance of the cited documents can be seen from their English language machine translations and from the translation of the JP Action.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 18-0013, under Order No. SON-2903 from which the undersigned is authorized to draw.

Please take these citations into account in the initial examination of this application and make their consideration of record with that of the information in the initial IDS and in the background of the invention information in the specification as filed.

Dated: September 10, 2007

Respectfully submitted,

By
